Specifier Day Agenda

- | | |
|--------------------------|--|
| 8am – 8:05am | Introductions/Kick-off |
| 8:05am – 9:35am | Chic Retreat Enhance your design with the colors & styles of Lutron
Learn the basics of light, lighting, and lighting controls and how to properly utilize them to complement a space. Lutron products are offered in a variety of colors and fabrics to enhance your designs, not conflict with them. |
| 9:35am – 9:40am | BREAK |
| 9:40am – 11:00am | It is Easy Being Green Lutron products save energy beautifully
Saving energy doesn't have to be tricky, expensive, or interruptive to one's lifestyle. Lutron products are one of the only energy-saving products that also provides added comfort and convenience to one's lifestyle. |
| 11:00am – 12:00pm | CEU: Let the Sun Shine In Residential Shading Systems 101
CEU has received the following credits from each respective organization:
AIA 1.0 LU/HSW/SD; IDCEC 0.1 CEU; NKBA 0.1 CEU |
| 12:00pm – 1:15pm | Networking lunch mixer
Build alliances with Lutron integration partners and other A&D professionals to help grow your business. |
| 1:15pm – 2:45pm | Bring to Light Bright ideas for your next project
Differentiate your business and your designs with the revolutionary products offered from Lutron. This course will take the morning sessions' material and put them into application for real solutions for your client. |
| 2:45pm – 2:50pm | BREAK |
| 2:50pm – 4:00pm | Taking Care of Business Expand your business with Lutron
Bring greater value to your client by recognizing the future growth opportunities that Lutron has to offer. |
