OVERVIEW

If you have an upcoming event or product launch, use IDC's email broadcast program to invite or alert interior designers in your community. This e-blast announcement is sent to IDC's roster of members, making it the best way to get your information in front of your target market and increase your visibility.

HOW IT WORKS

1. Purchase an e-blast online selecting your target market
2. Send in your e-blast content (HTML, JPEG or PNG) along with an engaging subject line, relevant hyperlinks and your preferred send date. Your file will be reviewed within two (2) business days
3. A test version of your e-blast will be sent to you for approval, then your e-blast will be scheduled and sent out
4. A report on open rates and click-through rate may be provided upon request

DESIGN PACKAGE

IDC offers a basic design package to assist in creating your e-blast. When purchasing your e-blast through our

online payment form, select "Basic Design Package" from the list of options before proceeding with payment.

*IDC reserves the right to announce blackout periods during the year when e-blasts cannot be sent due to event conflicts. All e-blasts include the following disclaimer: "This e-blast is brought to you through IDC's Email Broadcast program whereby companies may purchase an e-blast to be sent to IDC's roster of members. This list of members is controlled by IDC. Member information will not be shared with a third party."
