

Siavash Madani, Interior Designer at Ædifica

Siavash Madani is an Interior Designer working at Aedifica, a renowned multidisciplinary architecture firm in Montréal. With over a decade of experience in the field in a multitude of projects ranging from residential to commercial and workspace, Siavash is currently involved in a variety of large scale workspace design projects across North America. His projects have received recognition by Interior Designers of Canada VODA (2018) and AWMAC (2019). Siavash has a keen eye for detail and strives to design functional, thoughtful and timeless spaces.

Siavash is an active member of the interior design community. In addition to acting as a member of the board of directors of the APDIQ, he serves as an ambassador for the CIDQ and has extensively collaborated with IDC to relaunch NCIDQ study sessions on digital platforms.

Siavash practices in English, French and Farsi. He is an avid motorsport enthusiast, a combustion engine fanatic, and enjoys swinging kettlebells.
