

Suzanne Fast
ARIDO, IDC, LEED Green Associate
Designer at Suzanne Fast Design

Suzanne problem solves - whether it is finding the perfect paint colour, making your home more liveable, your workplace more productive or enhancing the well-being of your community. In recognizing how interiors shape our experiences, her empathy-driven practice creates spaces that support people in whatever they want to achieve. Suzanne's practice ranges from commercial, healthcare, institutional and residential design.

Suzanne has a Bachelor of Arts Degree from the University of Manitoba and an Interior Design Diploma from the Academy of Design, Toronto. She passed the National Council for Interior Design Qualification in 2001. In 2012 Suzanne earned the LEED (Leadership in Energy and Environmental Design) Green Associate Credential. In 2014 Suzanne graduated with a Certificate in Urban Design from Simon Fraser University.

Suzanne is a member of ARIDO, IDC and CaGBC.
