

## Wayne Thomson Scholarship

### OVERVIEW

The Wayne Thomson Scholarship is awarded annually to one or more candidates under financial hardship who have recently completed the IDFX, IDPX and are eligible for or have completed the practicum for the NCIDQ. Applicants must be fully-qualified intern/provisional members of their provincial interior design association.

The scholarship, established by IDC and Wayne's life partner, John Donat, honors the memory of Wayne Thomson – a prominent Ontario interior designer – and assists intern/provisional members with the cost of the National Council of Interior Design Qualification (NCIDQ) exam. Upon Wayne's death in October 2015, his partner John Donat graciously donated \$10,000 to start the scholarship fund and through the donations of family, friends and IDC members, the scholarship will last for decades and help students who are in financial need reach their goal of becoming a Registered Interior Designer, a qualification that was very important to Wayne.
