

## **Crystal Bueckert**

**Owner, Lead Designer, Architectural Technologist at BLDG Studio Inc**

Crystal Bueckert has a background in fine arts and construction. After completing her Bachelor of Fine Arts degree from the University of Saskatchewan she worked in the gallery and museum industry in Toronto. In 2005 she moved back to Saskatchewan to study Architectural Technology and Interiors to complement her Fine Arts degree.

In September of 2011, Crystal Bueckert founded [bldg.studio.inc](http://bldg.studio.inc), a Saskatoon design studio with a keen interest in sustainable building practices and modern architecture. The vision of [bldg.studio.inc](http://bldg.studio.inc) is to design spaces that are tailored to the unique modern lifestyle of the client.
