

**Christine Boulton**

**Interior Designer at Kasian Architecture Interior Design and Planning**

Christine is an NCIDQ Registered Interior Designer with a Bachelor of Interior Design (distinction) from British Columbia Institute of Technology, class of 2017. Christine employs her design background to complement her diverse experience and skill set. Her mastery of design programs and tools enriches the client experience by showcasing their needs and goals through design presentations, proposals, construction drawings, millwork detailing, and furniture packages. She has a sharp design sensibility and a natural demeanor to connect with people. Christine has worked on a wide variety of project sectors, including healthcare, corporate, multifamily residential, senior living, hospitality, and more.
