Lindsay Nesbitt is a Professional Interior Designer with over 18 years of experience in the industry. She came to Winnipeg from her hometown of Calgary, Alberta and entered the Faculty of Architecture at the University of Manitoba, completing her Bachelor of Environmental Design in 2004, and her Master of Interior Design in 2008. In her final year of her master's program, she was hired at Stantec as a summer student by her mentor and now business partner, Cindy Rodych.

RIDI provides professional consulting services in the fields of Interior Design, Facility Management Consulting, and Graphic Design to clients from coast to coast to coast.

Lindsay is the mother of two tweens, Morgan and Clark, and wife to husband Robin Ozouf, and has a chocolate lab named Lily. When not spending time with her family and friends, you can find her traveling or RV'ing. Lindsay has been a long-standing member of the PIDIM and IDC and has served as both Vice President and President of the PIDIM.
