

Patrick Carroll

Showroom Manager, The Ensuite – Bath, Kitchen, Lighting, Hardware

Patrick Carroll's journey in the kitchen and bath industry began after completing his business degree at the U of M and gaining international experience. Joining The Ensuite – Kitchen and Bath showroom in 2004, he found his passion for helping customers discover their dream spaces.

His desire for new experiences led him to Germany, where he worked in export sales for a decorative accessories manufacturer. Returning home in 2019, Patrick's dedication to customer satisfaction and eye for design propelled him into a leadership role as The Ensuite's manager.

Under his guidance, the showroom transformed remarkably, becoming a hub for kitchen, bath, lighting, and hardware. The successful Grand Opening of the new space is a testament to Patrick's vision and dedication, culminating as a finalist for Best New Showroom at the 2024 Western Canada Design Excellence Awards. Today, Patrick continues to lead The Ensuite, focusing on creating exceptional experiences for every customer.
